BALANCE BALM

Purslane-Infused Botanical Balm

Complimentary Sample • 10 g

A small gift from Jacob AcuBalance for your everyday skin-care routine.

About purslane

Purslane (*Portulaca oleracea*), known as **Ma Chi Xian** in traditional East Asian herbal medicine, has a long history of herbal use. Traditionally described as “cooling,” it belongs to a group of herbs used to “clear heat.”

These terms describe traditional herbal principles rather than a literal change in skin temperature. This balm brings that botanical tradition into a simple blend of purslane-infused oil, jojoba oil, and beeswax for moisturizing and softening dry skin.

How to use

- Apply a small amount to clean, dry, intact skin and gently spread a thin layer. Use clean, dry hands or a clean spatula.
- Try a small amount on your inner forearm first and watch for a reaction before broader use. Reactions can develop with later use even if the first application causes no irritation.

A few precautions

- **For external use only. Do not swallow.** Avoid eyes, lips, and broken, infected, or oozing skin.
- Do not use if you are allergic to any ingredient. Stop use and gently wash off if redness, burning, itching, or a rash develops. Ask a healthcare professional before use during pregnancy or breastfeeding, or before using on a child.
- Seek medical care for spreading redness, increasing pain, pus, or fever. **Call 911** for trouble breathing or swelling of the lips, tongue, or throat. If swallowed, call Poison Control at **1-800-222-1222**. Do not induce vomiting.

Ingredients

Safflower seed oil infused with dried purslane, jojoba oil, beeswax, vitamin E, and manuka essential oil.

Storage

- Keep tightly closed in a cool, dry place away from direct sunlight. Keep water out of the jar. Discard if you notice an unusual smell, mold, or a change in appearance. Keep out of reach of children and pets.
